 Manchester & London

Post Graduate Certificate in **ORTHODONTICS**

cephtactics-dental.com

Accredited by UK Awarding body
EduQual
Level 7

Welcome to Cephtactics

At Cephtactics, we believe learning orthodontics is crucial for all dentists. Whether you're aiming to shift your career, enhance restorative skills, or deepen your occlusion understanding, our courses offer a comprehensive and versatile learning journey. We blend expert insights with local convenience for impactful outcomes.

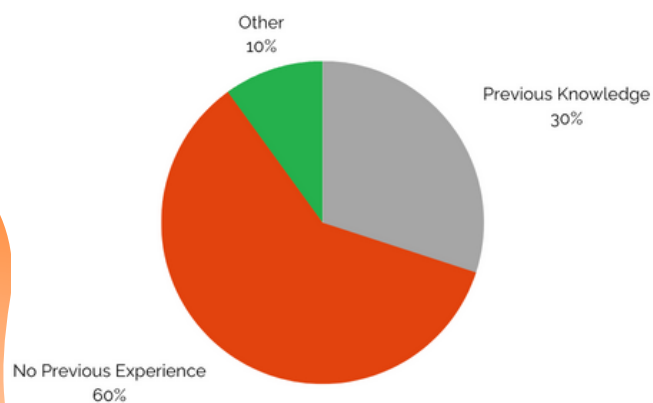

Our courses are designed to elevate your skills and practice, emphasizing practical applications and the latest orthodontic advancements.

Key Highlights:

1. **Comprehensive Curriculum:** Cephtactics covers fixed, removable, and aligner orthodontics, providing a well-rounded education that aligns with current industry practices.
2. **Flexible Learning:** Benefit from a mix of online, hands-on, and lecture-based sessions. Choose from various dates and global locations that suit your schedule.
3. **Expert Faculty:** Learn from a diverse team of clinicians who specialize in different aspects of orthodontics. Their collective expertise ensures a comprehensive and engaging learning environment.
4. **Unmatched Support:** Enjoy exceptional post-course support to address any questions or challenges you may encounter during your orthodontic journey.

Join Cephtactics Today:

Experience the most exciting and informative orthodontic program in the world. Elevate your skills, broaden your knowledge, and unlock new opportunities in the field of orthodontics.

The Acclaimed Courses

Embark on an Exciting Orthodontic Journey with the UK's Premier Course

Get ready for an innovative learning experience that will revolutionize your approach to orthodontics. Our comprehensive program is specifically designed for dentists seeking to enhance their skills and explore the exciting realms of aligner, removable, and fixed orthodontics. Through our interactive and valuable curriculum, you'll refine your hands-on abilities and gain a deeper understanding of advanced orthodontic techniques.

We invite you to immerse yourself in a dynamic blend of online lectures and immersive hands-on training with our expert faculty who will guide you through a wide range of topics, including comprehensive diagnosis and treatment planning, biomechanics, appliance selection, and the latest advancements in orthodontic technology. You'll learn the intricacies of aligner therapy, gain proficiency in removable appliances, and master the art of fixed orthodontics.

Your journey will begin with a two-day diagnosis and treatment planning event, where you'll develop the skills to analyze complex cases and create personalized treatment plans. Then, dive into five days of hands-on typodont activities, where you'll practice essential orthodontic techniques and refine your clinical expertise.

As a participant, you'll have access to our state-of-the-art Cephtactics Orthodontics and Teams mobile applications, empowering you with additional resources, case support, and a platform to connect with fellow participants and faculty members.

Note: For the most up-to-date information on application deadlines and event dates, please visit our website.

Overview:

- Diverse Lecturers
- Aligners, Fixed & Removable Training
- Online & Hands-On Format
- Various Locations (Next UK)
- Over 100 Online Hours CPD
- The Most Exhaustive Personal Workbook
- Choice of Additional Courses
- Opportunity for Multiple App Support
- Course Fee £6999.00 incl. VAT

Course Requirements:

- Basic degree in dentistry (BOS/DDS or equivalent)
- Currently working in dentistry
- Availability for the course
- Completion of course on time
- IELTS or equivalent

Advancement to Diploma

Including:

- Augmented Reality Integration
- 12 Dental Monitoring Cases
- Additional Online Course Modules
- Additional Resource Access
- Research & Deep Learning Research Projects

(COMING SOON)

The Syllabus

2-DAY EVENT (EACH DAY HAS A **PRACTICAL/TYPODONT** ACTIVITY)

Day 1

- Course Introduction & Who We Are
- Introduction & History of Orthodontics
- Growth & Development
- Bone Biology & Tooth Movement
- Occlusion in Orthodontics
- Examination & Diagnosis
- Records & Photography
- Cephalometry
- Cephalometry (**PRACTICAL**)
- Aligner Basics & Attachments
- Introduction to Aligners & Case Selection

Day 2

- Case Diagnosis
- Aetiology of Malocclusions
- Treatment Planning
- Space Planning (**PRACTICAL**)
- Malocclusions
- Advanced Treatment Planning
- Aligner Biomechanics Part 1
- Aligner Biomechanics Part 2

ONLINE MODULES BEFORE THE 2 - DAY EVENT

Module 1

- Chronology of Dental Development
- Nomenclature of Occlusion
- Advanced Cephalometry
- Imaging
- CBCT
- Multi-Disciplinary Process (MAP)
- Treatment Planning Advanced
- Case Seminar
- Clinical Simulation Protocol
- Nomenclature of Malocclusion
- Royal London Space Planning
- When to Refer
- Digital Kesling Setups
- Case Diagnosis & Treatment Planning 1
- Case Diagnosis & Treatment Planning 2

Module 2

- Introduction to Orthodontic Materials
- Basics of Wires
- Basics of Brackets
- Wire Techniques
- Mechanics & Friction
- Anchorage in Aligners and Fixed
- Elastics and Usage
- Auxiliaries & Adhesives
- Early & Interceptive Treatment
- Timing of Treatment

Continued on the Next Page -

2 -DAY EVENTS (EACH DAY HAS A **PRACTICAL/TYPODONT** ACTIVITY)

Day 3

- Recap on Materials
- Class I Malocclusion
- Comprehensive Bond Up
- Bond Up (**PRACTICAL**)
- Stages of Fixed Therapy
- Wire Work - (**TYPODONT 1**)
- Adult Orthodontics 1

Day 4

- Case Practice
- Wire Work - (**TYPODONT 2**)
- Extractions v Non Extractions
- Setting Up in Orthodontics
- Wire Work - (**TYPODONT 3**)
- Psychology of Orthodontics
- Wire Work - (**TYPODONT 4**)
- FROST Approach to Aligners
- Adult Orthodontics 2

Day 5

- Case Practice
- Class II div 1
- Wire Work - (**TYPODONT 1**)
- Class II Aligners Mechanics
- Wire Work - (**TYPODONT 2**)
- Removable & Fixed Functionals
- Class II div 2 & Deep Bite
- Wire Work - (**TYPODONT 3**)
- Deep Bite with Aligners

Day 6

- Case Practice
- Class III Malocclusion
- Wire Work - (**TYPODONT 1**)
- Class III Aligners
- Wire Work - (**TYPODONT 2**)
- Open Bite
- Open Bite with Aligners
- Wire Work - (**TYPODONT 3**)
- Aligner Finishing & Detailing

Day 7

- Case Practice
- Inter Proximal Reduction
- Self Ligating Braces Damon
- Impactions
- Finishing & Detailing
- Wire Bending (**PRACTICAL**)
- Carriere

Day 8

- Case Practice
- Ortho Restorative Approach
- Pre-Debond and Debond
- Stability & Relapse
- Retention
- Fixed Retainer (**PRACTICAL**)
- Sleep, Snoring & Apnoea
- TADs & (**PRACTICAL**)
- Troubleshooting & Iatrogenics
- TMD Overview
- Future of Orthodontics

ONLINE MODULES BEFORE CERTIFICATION

Module 3

- Monitoring Orthodontics
- Bond Up Tips
- Arch Coordination
- Removable Appliances
- Sectional Class I Mechanics
- Class II Mechanics
- Class II Orthognathics
- Low Angle Cases
- Headgear in Orthodontics
- Distraction Osteogenesis
- Distalising Appliances
- Class II Camouflage
- Sectional Class II Mechanics
- Class III Mechanics
- Transverse Discrepancies
- Assymetries
- Class III Orthognathics
- High Angle Cases
- Protraction Headgear
- Class III Camouflage
- Sectional Class III Mechanics

Module 4

- Supernumeraries
- PFE, Unerupted, Transpositions
- Guidelines
- Orthodontic Emergencies
- Indices
- In-House Removable Retainers
- Lingual
- TMJ Examination
- Orthodontic Finances
- Speech & Orthodontics
- Tongue Exercises
- Perio/Endo Orthodontics
- Basic Smile Design

Optional Courses Included:

- **Photography Course**
- **Wire Bending**

Hotel and Travel Routes:

We understand the importance of convenience during your training. The city offers a wide range of accommodation options, from luxury hotels to cosy bed-and-breakfasts, tailored to suit your preferences and budget.

Travelling to and from the venues is a breeze. With excellent transportation links, including trains, buses, and airports, reaching your desired venue has never been easier.

Course Companion Mobile Apps

The Orthodontic Teams App gives additional support to our students and other clinicians. This is available to all registrants on the courses. It will encourage the development of the student in orthodontics. After the course, one can remain on the Teams App at a small fee.

Coming 2024!

- Discussion of Cases
- News and Data
- Access to 1 to 1 Direct Messaging
- Instructional Video Access
- Links & Updates to More Courses

The future of orthodontics demands instant access to essential data for global competitiveness. Key journal abstracts are now converted to 2 to 3-minute audible overviews. This accessible information empowers clinicians to stay current in the field. Monthly updates ensure the latest entries from respective journals.

Coming 2024!

Cephtactics has provided our students the best offline and online seminars, including the ability to catch up on missed lectures and tutorials. We anticipate that there will be a multitude of online training videos of different lectures in every form of orthodontics. We ensure that the best innovative versions of orthodontic training videos are available.

- Lectures, Seminars, Tutorials
- Case Reports
- Short Courses
- Continuous Professional Development
- MCQs, Exams, Tests, and Tasks
- ..and again much more...

VIEW ON DEMAND!

Welcome & Study Packs

Cephtactics will provide all students with some auxiliary hard-copy study materials. These include important papers and documents that are to be regularly used by students in their clinics, research study protocols, as well as materials used in designing methodology.

Welcome Pack - For all Groups

- CITP Primary Work Book
- CITP Notebook
- Comprehensive Syllabus
- Current Timetables
- 4 Case Reports
- Clinical Notes Templates
- Posters A
- Leaflets A
- Checklists A
- Camera Protocols
- Patient/Guardian Consents
- Team Contract Advisory
- Patient Information Cards
- Letters for Transport/Visa
- Terms & Conditions

2-Day Pack - For PGCert

- Patient Examination Forms
- X-Ray Checklists
- Boltons Forms
- Flowcharts
- Cephalometric Protocol Form
- Instrument Templates
- Posters B
- Leaflets B
- Checklists B
- System Protocols
- Space Analysis Sheets
- Growth Charts
- Elastic Protocol Sheets
- Arch Form Templates

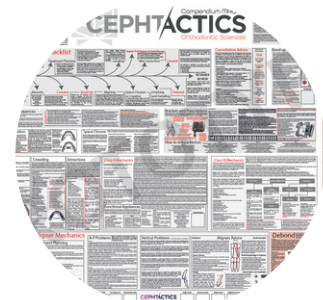

Additional Material - For PGCert

- Indices
- PAR Ruler
- FROST Approach
- Guidelines
- Treatment Protocols
- Research Protocols
- Unorthodox Newsletter

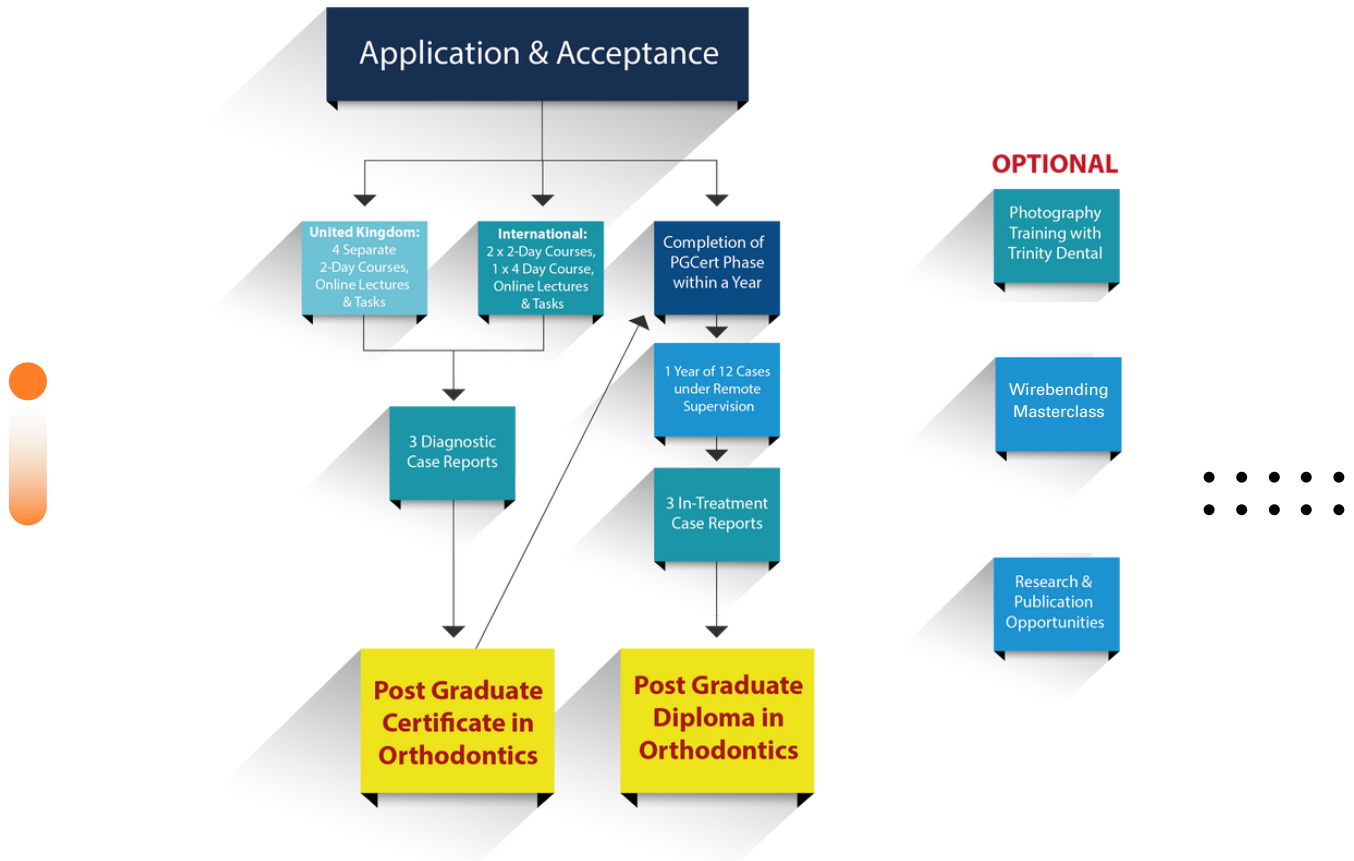

Augmented Reality Poster

The Cephtactics Augmented Reality poster is a vital part of the Compendium Magna project, revolutionizing orthodontic learning with real-time data updates. It empowers students and clinicians with contemporary views, enhancing their understanding and connecting different aspects of orthodontics. QR codes provide easy access to various pages, including Functional Appliances, NICE Guidelines, and Basic Cephalometry. Unlike bulky, outdated textbooks, this poster offers endless content and makes a valuable addition to any clinician's office.

Application Process & Fees

Experience the PG Cert with an exciting bonus! Enjoy free access to two amazing courses. A 1-day Photography session with Trinity Dental Training, and the Wire Bending Masterclass with Cephtactics. Don't miss this incredible opportunity!

I. Beschiu
 BDS, Dip.Clin.Dent.T.C.D., PGCert Orth.

★★★★★
 I am very satisfied with the course and it has completely met my expectations. I'm very happy with the materials provided and the clinical support was very consistent. Thank you Cephtactics!

S. Vara
 BDS, PGCert Orth., PGCert Resto.

★★★★★
 Great course for those interested in widening their knowledge in orthodontics. A good opportunity for those who may be considering an orthodontic speciality with a good amount of hands-on practicals provided.

S. Mhatre
 BDS PGDip Implant., PGCert Pain management, PGCert Orth.

★★★★★
 Brilliant course! Comprehensive orthodontics under one roof. All systems properly explained. Great friendliness and support.

S. Sarveswaran
 BDS, PGCert Orth.

★★★★★
 I really enjoyed the course and even though it has been super helpful and really friendly, I liked more practical sessions but I can be hard with the number of staff. From that I liked everything else about the course. Would highly recommend. And thank you to all.

E. Watson
 BDS, PGCert Orth.

★★★★★
 Fantastic course, lots and lots of information. Great lecturers, approachable and knowledgeable. Good value for money.

P. Achim
 BDS, PGCert Orth.

★★★★★
 I am really happy I decided to take this course. Everything was very well planned, the whole team was amazing and the lectures were very well organised. Thank you for this amazing opportunity!

A. Sandoval
 BDS, PGCert Orth.

★★★★★
 I loved the course and really enjoyed every day. Lecturers were all brilliant and have a great sense of humour! I just wish some topics could have been explained a bit more.

H. Chana
 BDS (Hons) MFDS RCPS (Glasg) MSc, PGCert Orth.

★★★★★
 Brilliant course from start to finish. Very thorough and informative. All the lectures/tutors have been engaging and interesting. I am not currently doing any orthodontics in practice but I do feel more confident and well supported by the Cephtactics team to start my ortho journey. Thank you Cephtactics team!

N. Iqbal
 BDS Karachi, Pakistan, PGCert Orth.

★★★★★
 Personally, this orthodontic course is the best I have been on. Can't wait for a diploma course! The team are very interactive and the learning fun!

E. Waller
 BDS, MJDF, PGCert Orth.

★★★★★
 Lecturing team was fantastic, very good. I am really happy I decided to take this course. Everything was very well planned, the whole team was amazing and the lectures were very well organised. Thank you for this amazing opportunity!

A. Matthews
 BDS Glasgow 2013, PGCert Orth.

★★★★★
 Both uplifting and utterly devastating. The red pill has been taken and the ever-growing mountain of information is overwhelming.

R. Webster
 BDS (Manchester), PGCert Orth.

★★★★★
 I am so grateful to have been on such a progressive course. All of the lecturers are excellent and I look forward to helping my patients like never before. Thank you.

A. Bunescu
 BDS, MFDS RCPS (Glasg), PGCert Orth.

★★★★★
 Outstanding.

U. Patel
 BDS, MFDS RCS Edin, PGCert Resto, PGCert Orth.

★★★★★
 Fabulous teaching and support. Topics well covered. Most of all, the support and teaching especially by Raj is out of the world. Also must appreciate Gregor for always being so prompt.

H. Yassin
 MFDS RCS ENG BDS Lond 2012, PGCert Orth.

★★★★★
 Liked most: Thorough, so helpful, engaging and knowledgeable staff. Additional comments: Well structured, engaging staff.
